

**Government College for Women
Shahzadpur**

ANNUAL REPORT: 2021-2022

Government College for Women, Shahzadpur

Annual Report: 2021-2022

Established in 2018, the Govt. College for Women, Shahzadpur is affiliated with Kurukshetra University, Kurukshetra which is a NAAC accredited A+ grade university. The college is situated at the border of Haryana which is adjacent to Himachal and is thus quite near to the majestic Himalayas. The clean air, greenery, and rustic environs around the college provide a pleasant change that can be felt by any newcomer. The college boasts a spacious building. Catering to the needs of girl students from rural areas, the college is spread over 09 acres of land and is well equipped with modern infrastructural facilities for the students as well as the staff. Also, it is specially designed to keep in mind the needs of differently-abled persons and has ramps and washrooms suitable for them. It has 21 spacious classrooms, one conference hall, a well-furnished library, and 10 laboratories including that Computer, Language, Psychology, and Geography subjects. The college has ample space for sports-ground, has a mini gymnasium, a common room, and soon to be fully ready multi-purpose hall, well-maintained parks, RO water facility, separate and clean toilets for girls and staff on every floor, parking areas for vehicles, a college canteen, a well-furnished and ventilated staff-room and departmental rooms, a well-equipped Library- all are parts of the basic infrastructure which make the process of education pleasant and endearing. At the Under-Graduate level, the College runs three regular streams- Humanities, Non-Medical Sciences, and Commerce, along with a vocational course in Computer Applications. It offers a choice of 11 subjects for the students of Humanities; General and Computer Application for the students of Commerce; and Non-Medical with Computer Application for the students of Science stream. Presently a total number of 719 girl students are studying here and one batch of just over hundred girls has already graduated.

Despite the devastating attack of Covid-19 during the session 2021-2022, the College has managed to perform well and upheld its spirits. The credibility is well earned through the last four years and the College recorded a total strength of 719 girl students, as already mentioned, in the session 2021-2022. Many applications that had to be turned down further show the faith in the safety and gender-sensitized environment that this college promises. A dedicated and diligent team of teaching and non-teaching staff (21 teaching and 08 non-teaching (regular and contractual) under the competent guidance of the

Principal, ensuring regular classes for students in offline and online modes as per the directions of the Government from time to time, brought laurels to the College as the total pass percentage of students stands undefeated at 100% in the University Examinations and has surpassed the old established college in the neighbourhood in its academic standing.

The College, being a government institute, receives several Annual Grants-in-Aid such as a Library Grant, Passport Grant, Women Cell Grant, Road Safety Grant, Augmentation of Laboratories, Earn-While-You-Learn, Assistance of Science Exhibition, Placement Cell, etc. for different activities and purposes. During the session 2021-2022, the college has utilized approximately 4,14,900/- rupees worth of grants.

The institute aims to empower girl students not only in an academic way but also to target their overall grooming. The college has the privilege of bagging many prizes at District, Zonal and Divisional Levels.

Though a new college, the college is the first one to upload All India Survey on Higher Education (AISHE) data on the MHRD portal. The college has been registered with NAAC and SHREYAS (Scheme for Higher Education Youth for Apprenticeship and Skills). The Internal Quality Assurance Cell regularly conducts meetings and takes steps to ensure requisite quality standards.

The collective vision in the college is to create a generation with good moral values, high cultural values, and a continuing tradition of students who take pride in being Indian; students and teachers who are committed to and can learn and align these qualities with the changing world to have a successful future. This is also reflected by the motto of the college: श्रद्धावान् लभते ज्ञानं.

Our Mission is to impart quality education to develop lawful, balanced citizens with a humanistic approach, who can serve the nation and globe with their analytical knowledge and multi-skilled personality.

Best Practices

- Regular Classes and attendance
- Help from the local administration
- Regular weekly activity of any club/society

Limitations

- Transportation is still a limitation due to the isolated location of this college, as proper bus service is not available and students are facing problems in reaching college timely.
- The college auditorium or the multi-Purpose Hall has not yet been fully completed and the proposal for requisite facilities such as sound-proofing and stage flooring has been submitted to the concerned authority.
- Sports ground and Race Tracks have not yet been prepared.
- There is a lack of faculty in the college and this is affecting the study of the students adversely.

I express my heartfelt gratitude to the teaching and non-teaching staff and other Govt. Departments for their sincere cooperation in the smooth functioning of the College and I convey my heartiest congratulations to all my colleagues and students for their achievements in their respective fields during the session 2021-2022.

Ms. Rajni Bhalla
Principal
